

Kedves hírlevél-Olvasó!

Bocsánat, az élet hozta így, továbbra sem fogok néhány naponként hírleveleket küldeni....

Ingyenes - angol nyelvű* - bevezető kurzus a klasszikus homeopátiába

Dr.Gaurang Gaikwad szervezésében, mivel határidős nem akartam várni az információ szétküldésével (* ha szerencsénk van, akkor a videókra klikkelhető felirat, talán még magyarul is):

From student to clinician journey

I have been lucky - learning from some really splendid Homeopaths

However - we all had to really struggle to learn classical homeopathic masters across the globe and I could see so many bright homeopathic young minds - let go of homeopathic profession due to lack of opportunity to learn basics in classical homeopathy

So I had this dream of having the FINEST HOMEOPATHIC MINDS together - to come together to do a FREE BEGINNERS CLASSICAL HOMEOPATHIC ONLINE certificate - course of 25 hours

And Any Homeopathic student or interested passionate person can study FREE In depth BASIC ORGANON , MATERIA MEDICA and REPERTORY in detail from the finest

So here it is

PS:

If you are already a senior advanced homeopath who probably knows everything by now
Do share with someone in initial part of their journey

Warm regards,

Dr. Gaurang
